YEAR 2015—ISSUE 2

APRIL, 2015

Notice of Annual General Meeting: The SDAA AGM will be held at The Willows Golf & Country Club, 362 Cartwright Street, Saskatoon, **Saturday, April 25 at 9:00am—10:30am**. The meeting will be followed by a professional development event. Council has one director position open. Please submit your resume to the SDAA office prior to **April 15, 2015**. Update On Disposal of Fixer and Developer: We were wrong! It is not illegal to dump used and unused fixer down the drain in Saskatchewan (it is illegal in Europe and several states in the USA). Caution should be exercised as x-ray fixer is considered a dangerous waste because it contains high concentrations of silver (it is considered to settle out according to municipal regulations). Alternately many offices have installed collection systems which are collected from time to time by one of the local supply companies. [Link to Example](#)

Dental Day at Saskatchewan Polytechnic: Preparations for Dental Day 2015 are underway with the date scheduled for Saturday, April 25, 2015 at the SK Polytechnic Dental Clinic (formerly SIAST). We will be running this event from 9:30am until 2:30pm and lunch and snacks will be provided. Professional development sheets will be available for you to sign and they will be submitted on your behalf for credit. (RDA's - 2 Credits)

SK Polytechnic partners with the Regina Food Bank and the Regina Open Door Society to help identify individuals who are in need. Henry Shein, DENTSPLY and Oral B are major sponsors for this event.

This success of this event is dependent on our volunteers. If you are interested in attending or want to find out more information, please contact Dean Lefebvre at dean.lefebvre@saskpolytech.ca or call (306) 775-7552.

Smile Drive in Saskatchewan: This April, National Oral Health Month, participate in the Canada's ToothFairy Smile Drive. collect toothbrushes and toothpaste and donate to a charity in your community [DETAILS ON SDAA WEBSITE](#)
