Registered Dental Assistant? Absolutely!

Feel free to use the title RDA. In the Dental Disciplines Act the term “dental assistant” is protected. The listing process is considered “registration” and thus dental assistants in Saskatchewan can use the RDA acronyms. SDAA will adjust to the RDA identifier. We would suggest that all DA's use the RDA designation. Problem solved!

Tutors—SIAST

Regina and Area Dental Assistants are invited to consider mentoring SIAST students. Can you take great BW's and impressions? Do you know how to place rubber dam well? If so, there are students who need your help! If you would like to be a tutor, want to earn some extra money, and have spare time in the evenings or weekends; please contact SIAST Wascana Campus (Regina) Learning Services, Room 207.12 (Library) at (306) 775-7729 or email: LACwascana@siast.sk.ca. There will be a new group of eager students starting in September!

Positions on SDAA Council

On September 17, 2011, there will be one position open on Council. We have had inquiries but if you are interested, please let us know as soon as possible.

In the event that an election is required you should be prepared to make a statement at the annual meeting. If you will not be in attendance at the AGM, please submit your resume.

Cara Spetz of Swift Current has recently submitted her biography and notified SDAA that she will allow her name to stand for election.

Scientific Session 2011

The brochure for the 2011 Scientific Session is enclosed. This year the event focus is on “Survivor Dentistry”. The variety of speakers should provide an excellent opportunity to liaise and learn!

The SDAA Office will be closed the week of July 11-15 for staff holidays

Display Certificate of Registration

The SDAA Regulatory Bylaws "Standards of Practice" requires that all Registered Dental Assistants **MUST** display their "Certificate of Registration" in their place of employment. This demonstrates to the public that you are registered and qualified to perform dental assisting intra oral procedures.

Professional Development Report

Your current professional development report is included in this mailing. Please review it to ensure that all of your courses to date are listed. Please submit verification of un-reported courses immediately. Preferably credits would be submitted immediately following a course.

New IP&C Guidelines Anticipated!

The Saskatchewan Oral Health Professions have appointed representatives to a committee charged with the task of reviewing the **Infection Prevention and Control Guidelines for Saskatchewan**.
