### **New! Association Management System**

SDAA Members will see significant changes in the fall of 2015 as SDAA launches an Association Management System. Members will be able to log in and update their contact information and review their professional development report. The system will host all our data, offer a mass email tool and host our website. It will truly be one stop shopping!

As the website is being redesigned, now is the time to ask the question, 'what would you like added to the website? Feedback is needed immediately!

## Member Forum

The SDAA Council will once again be hosting a 'Member Forum' at the annual conference. The 2015 forum will be held after lunch on Saturday September 12, 2015 at Evraz Place. You are welcome to attend the forum even if you are not registered for the conference.

## Volunteers Needed

SDAA is organizing the scanning at the annual conference and we are in need of volunteers. If you are interested please contact the SDAA office. Thank you!
