June, 2016

Compensation & Benefit Survey

The SDAA "Compensation and Benefit Survey" which will be open for the month of June. Calculate your hourly wage (monthly salary divided by hours worked), and follow the link to **login**. We believe that it will take about 10 minutes to complete the survey. Once you click submit, 2 professional development credits will be added to your profile. In order to validate our Proposed Salary Guide we NEED a huge participation. It is incredibly important. The results will be reported in a web based document and circulated through our e-news.

While you are logged in, please check your professional development credit and feel free to upload any certificates of courses yet to be reported.

Note: Survey link only available through your E-News.

Congratulations to SK Polytechnic Graduates

Congratulations to the 2016 dental assisting students who will graduate from Saskatchewan Polytechnic on June 24. We welcome these new **Registered Dental Assistants** to SDAA. Thank you to the RDA mentors who have generously contributed to the formation of these new dental assistants. Please continue to mentor them as they join your practices.

Volunteers Needed for Annual Conference

SDAA will again schedule the scanning team for the September conference. If you would like to contribute to the success of this event, please email TRACEY to volunteer to scan.

2015 Audited Statement

In accordance with the Administrative Bylaws, Audited Financial Statements are to be published annually in an official publication. Please follow the link to a summary page. Full reports will be emailed upon request.
