

ACCENT ON ASSISTING

E-News Version | 2016 - Issue 5

August, 2016

Member Portal

We have made some revisions to the Member Portal. There are three new sections added. We have added the "Inclusive Dentistry" presentation, scripted and produced by the Saskatchewan Council on Disabilities and the Saskatchewan Oral Health Coalition and the "Day Surgery" video, produced by Dr. Koneru. Both are instructive and eye opening.

We have also added a "Courses" section and "Documents" section. You will find an "Infection Prevention & Control Standards" course available for your information. It includes a 50 question test, for which marks over 70% will generate 2 PD credits. [LINK](#)
